Rikshem's credit rating A- confirmed by S&P Global

The credit rating agency S&P Global confirms Rikshem's credit rating A-/Stable/A-2 in its annual credit rating of the issuer.

The credit rating agency S&P Global confirms Rikshem's credit rating A-/Stable/A-2 in its annual credit rating of the issuer. In addition, Rikshem retains the highest credit grade on the Nordic rating scale, K-1.

"Rikshem has during the recent years actively strengthened governance and lowered financial risk. S&P Global confirms in its credit report that this will support stable profitability. It is also positive that Rikshem, in S&P Global's opinion, is considered to have robust economic fundamentals, low industry risk and a strong position within its niche in the real estate market", says Sophia Mattsson-Linnala, CEO of Rikshem.
